

Pilot Re-Igniters

Thermal Cut-Outs

PR series Pilot Re-Igniters

Prevents Pilot Flames from extinguishing.

- **Automatic and Trouble “Free”**
- **Sparks immediately on detection of Pilot “outage”**
- **Includes Hardware, Cable and Module for Easy Installation**

Product Type	Catalog Number	Power Input	Description
PR-24/120	FF540	24/120 VAC	Spark Cable
PR-24/120	FF541	24/120 VAC	Hardware Kit
PR-24-36W	FF543	24 VAC	Hardware , Spark Cable & PR-24 Module
PR-24/120-36W	FF536	24/120 VAC	Hardware , Spark Cable & PR-24/120 Module

Thermal Cut Outs

- **One Shot Operation**
- **Low Resistance**
- **15 Amp Rating With Air Flow**
- **For In-Line and Face Plate Mounting**

Product Type	Catalog Number	Open Temp. F°	Mounting
TC-4257	FB688	257	In-Line
